## **Travel and set up fees**

We travel to all venues and the cost is based upon how far we need to travel to get to you. We have a minimum cost of £150 for set up and collection of all hired items. This includes the drop off of all bridal flowers at one address and set up at the venue. The cost will increase based on the distance we need to travel and we will include this within your quote. Our fees to stay and move ceremony/church designs to the reception venue/location will be charged at £50 per hour.

\*For smaller weddings, you are always welcome to collect bouquets and arrangements from our studio, but we cannot be responsible for any damage to the designs after collection.

## Booking fee

A **£250 booking fee** is required to secure your wedding date. This is then deducted from your final invoice which is **due on or before one month** to your wedding date. This is non refundable should you cancel. Please see our terms and conditions for more information.

## WEDDING SERVICE

We offer a truly bespoke service, taking time to really get to know you both and your vision for your day. Every wedding is different and we pride ourselves in offering you a unique and personal service. Each wedding varies and costs depend on choice of flowers, availability, time of year, styles, design, prop hire and design labour. We do however appreciate that you need to budget and plan your wedding around this, so we have created a very basic price guide to help you with your planning. Please bear in mind that this is a guide only and costs listed are a starting cost but we really hope this helps for now.

We will gladly book a consultation with you to discuss your wedding flowers, this will be an initial chat on the phone and then if you would like to proceed with the booking, we will arrange to meet in person where possible. If you would like to make an enquiry for Lily Loves to design your wedding florals, we will need the following information from you:

- ~ Your wedding date
- ~ Venue and location
- ~ Theme, style and floral requirements
- ~ Estimated budget

We offer a free in person design consultation of 1-2 hours after you have confirmed your booking. Approximately 2 months prior to your wedding we will meet again over the phone or in person if you prefer to finalise everything. Please be aware that once we have agreed designs we can tweak and make small changes, but we cannot remove large designs or make a complete design change without incurring additional costs. Any additional consultations will be charged at a rate of £50 per hour.

Thank you so much, we can't wait to hear from you!
